Description of Event/Project		
Please describe in 100 words or less; including anticipated outcome benefitting the women in Nevada: AAUW Work Smart, a professionally-facilitated salary negotiation workshop, teaches women how to determine their market worth based on their skills, experience, performance, qualifications, and responsibilities on the job. Participants come away with the tools and business strategies they need to successfully negotiate for fair pay <i>immediately</i> , and for the rest of their careers. Participants learn: <ul style="list-style-type: none"> • How to identify and articulate their personal value • How to conduct objective market research to benchmark a target salary & benefits • How to develop persuasive responses and other negotiation strategies. As one recent participant noted after negotiating for her position, "I finally feel valued!"		
Is there a competition component to your event/project? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
