

HR Intranet (http://hr.intranet.nv.gov)

The screenshot displays the HR Intranet website. At the top left is the logo for the Department of Administration, Division of Human Resource Management. To the right is the NV.gov logo with links for Agencies, Jobs, and About Nevada. A search bar is located below the logo, with radio buttons for 'This Site Only' (selected) and 'State-Wide'. A navigation menu below the search bar includes links for HOME, ABOUT, ADVANTAGE, HR DATA WAREHOUSE, NEATS/NVAPPS, PAYROLL/RECORDS, TRAINING, and FORMS. The main content area features a 'HR Data Warehouse' section with a play button icon and the title 'HR DATA WAREHOUSE'. Below this is an 'Introduction to HR Data Warehouse' section with a welcome message and contact information for the HR Help Desk. To the right of the introduction is a 'Quick Links' section with a red oval highlighting the 'Access HR Data Warehouse' link. Other links in the Quick Links section include 'Time and Leave Reconciliation', 'Overtime Analysis', 'Navigation Tutorial', and 'Training Administrator/Instructors'. At the bottom of the page, the text 'Page Number: 198648 | Edit Page' is displayed.

Page Help

The screenshot shows a Netscape browser window with the title "HR-DW On-Line Help System - Netscape". The address bar is empty. The toolbar contains icons for Back, Forward, Reload, Home, Search, Netscape, Print, and Security. The main content area displays the page title "HR-DW On-Line Help System" and a "Close Help Window" link. Below the title are links for "Table of Contents", "FAQs", and "Contact". A horizontal line separates the header from the main content. The main content starts with the section "Page Help", followed by "Subject Area: Employee Rosters / History" and "Page: Search Form". The "Overview:" section explains that the form is used to find a specific employee within the Roster database, supporting searches by Employee Last Name or Employee ID. It provides instructions on how to format the search string and how to launch the search. A final horizontal line is followed by the section "Fields Used on this Page Type:".

Page: Search Form

Overview:

This form is used to find a specific employee within the Roster database. The form supports searches by either Employee Last Name or Employee ID. If searching for an employee name, enter a text search string for the employee's Last Name. If searching for an employee ID, enter a search string value in the following format: "99999999" (do NOT include dashes). Click the corresponding Search Button to launch the search.
