MEMORANDUM

January 31, 2022

TO: All Agencies

FROM: Laura E. Freed, Director  
Department of Administration

SUBJECT: **Legislative Branch Vaccinations and Testing Extended through April 2022**

The Legislative Branch is once again extending its contract with Impact Health to offer free COVID-19 vaccines and testing at the Legislative Building in Carson City.

Impact Health will continue to offer free COVID-19 vaccinations in Room 1214 of the Legislative Building on Mondays, Tuesdays, Wednesdays, and Fridays from 7:00 a.m. to 3:00 p.m., and on Thursdays from 7:00 a.m. to 6:00 p.m. This availability has now been extended through at least April 2022.

Impact Health has all three types of vaccine (Moderna, Pfizer, and Janssen/Johnson & Johnson) as well as pediatric vaccines for children between the ages of 5 and 11. COVID boosters are now recommended for **all adults** who are more than 5 months out from their last Pfizer or Moderna vaccination, and more than 2 months out from their last Janssen/Johnson & Johnson vaccination. Initial vaccinations are also available. Appointments are strongly encouraged. To make a vaccine appointment, please go to <https://telegov.egov.com/nvleg-vaccine>. Employees should bring their vaccination cards with them if they are receiving booster shots.

COVID rapid testing is available on the north side of the Legislative Building by appointment only. Appointments can be made by visiting <https://www.impacthealth.com/nevadalcbbtesting>. Please note that all testing is now conducted outside the building, so dress for the weather.

Please call (775) 684-6681 during clinic hours if you have questions.
