MEMORANDUM

November 5, 2021

TO: All Agencies

FROM: Laura E. Freed, Director
Department of Administration

SUBJECT: **Legislative Branch Offering Testing and Vaccinations**

The Legislative Branch has asked that we notify state employees of expanded hours for COVID-19 testing and vaccination within the Legislative Building in Carson City.

Throughout November, Impact Health will offer free COVID-19 rapid testing and vaccination in Room 1214 on Mondays, Tuesdays, Wednesdays, and Fridays from 7:00 a.m. to 3:00 p.m., and on Thursdays from 7:00 a.m. to 6:00 p.m. (excluding Veterans Day, Thanksgiving, and Family Day).

These testing and vaccination opportunities are available to the public generally, so family members of state employees may participate as well.

Appointments for testing can be scheduled at <https://www.impacthealth.com/nevadalcbbtesting>, and walk-ins without an appointment will also be served.

Impact Health offers the Moderna, Pfizer, and Janssen/Johnson & Johnson vaccines and vaccine boosters without an appointment. As a reminder, the following groups are now eligible and encouraged to receive COVID-19 boosters (6+ months following Pfizer/Moderna vaccination):

- Age 65+
- Age 18+ and living in [long-term care settings](#)
- Age 18+ who have [underlying medical conditions](#) (including cancer; chronic liver, kidney, or lung diseases; neurological conditions such as dementia; diabetes (type 1 or 2); Down syndrome; heart conditions; HIV infection; weakened immune system; mood disorders;

overweight and obesity; pregnancy; sickle cell disease or thalassemia; current or former smoker; organ or stem cell transplant; cerebrovascular disease; substance use disorders; and tuberculosis)

- Age 18+ who live or work in [high risk settings](#)
- Anyone who received a Johnson & Johnson vaccine 2+ months prior

Those seeking booster shots should bring their vaccination cards.

Currently, vaccines for children ages 5 – 11 are not available at the Legislative Building. When they become available, employees will be notified.
