Subject: **Uniformed Security Guards – Statewide Contract**

The Purchasing Division is pleased to announce a new statewide contract with Universal Protection Service, LLC (dba Allied Universal Security Services) for uniformed security guards. This contract provides both armed and unarmed security guard services, patrol, and random marked-vehicle stops as needed throughout the state. Security guards shall be responsible for the protection of employees, clients, property, and equipment for the using agencies. They will assist in emergency situations, identify conflicts, intervene, defuse potential employee/client problems, and perform other security-related functions as required by the using agency.

The new contract is effective October 1, 2021, through September 30, 2025. Under this agreement, the state agrees to use only the awarded uniformed security guard service provider; therefore, participation is mandatory for state agencies and permissive for other entities.

Vendor contact information can be obtained from the Purchasing Division website at: [https://purchasing.nv.gov/Contracts/Documents/Security and Patrol Services/](https://purchasing.nv.gov/Contracts/Documents/Security_and_Patrol_Services/). The new contract information will be updated on the website as the new contract goes into effect.

If you have any questions regarding this contract, please contact Annette Morfin at (775) 684-0185 or via email at amorfin@admin.nv.gov.
