Free annual “shred event” to be held in Reno on June 8, an opportunity for the public to securely destroy unwanted personal paper documents

Reno, NV – Nevada State Library, Archives and Public Records wants the public to know they can participate in a “shred event” in Reno on Saturday, June 8. The event will take place from **10:00 a.m. to 2:00 p.m.** in the parking lot of **Great Basin Credit Union at 9770 South Virginia Street** and is hosted by the Sierra Nevada Chapter of ARMA International, a community of professionals in the information management industry serving Northern Nevada.

The shred event provides an opportunity for people to securely dispose of paper documents they no longer need that, if merely thrown away, could put them at risk. Even throwing away documents with basic personal information such as name, address, or even partial account numbers could be risky. Examples of paper documents that people may want to shred include, but are not limited to, unwanted:

- Medical records
- Bank statements
- Credit card statements
- Copies of processed checks
- Investment account statements
- Pre-approved credit card offers

No newspapers, magazines, or cardboard will be accepted.

The event is free, but donations are welcome. All proceeds go to Austin’s House, an emergency shelter for children in Northern Nevada.

This year marks the eighth annual shred event hosted by the Sierra Nevada Chapter of ARMA. Sponsors include Iron Mountain, which is providing the free shredding service, and Great Basin Federal Credit Union, which is providing the space in their parking lot for the event. Last year’s shred event saw about 130 participants from the community and generated more than \$500 for Hosanna Home.
